

Special Called Vestry Meeting: July 20, 2016

Riker Robinson, Steve Thompson, Ryan Smith, Perry Moses, Deb McInturff, Amanda Wheeler, Hannah Hooker, Blake Coe

Father Jesse is going to accept a call at St. Michael's in Illinois. He is sending a letter out to the parishioners this evening.

Questions:

What happens next? The bishop's right hand guy will be here August 15th to answer questions. Hannah will preach on Sundays, but other than that the regular business will be dealt with in other ways.

Hannah will not attend all vestry meetings to keep her from being burned out.

We will need to get a substitute priest for Rally Day.

Blake will call the bishop to see if Hannah will be allowed to give communion (pre-blessed) so we can have communion each Sunday.

The parish will have complete say on replacement. We don't have to just take anyone.

Jesse has several suggestions, one that we don't make Hannah preach every Sunday, that we get a substitute to give her a break. Sermons That Work is a place to go to find sermons.

Riker and Perry suggested that we celebrate Jesse and the great growth we've had. Project confidence. We need to try to continue communion to keep people committed.

Sabbatical was NOT a job search.
